Employer Spotlight

We value the professional relationships we have established with the respected Employers we work with. Little Scallywags Nurseries has been working with us for a number of years and we are always proud to highlight the outcomes of our successful partnership.

“When I first started at little scallywags I lacked confidence and was unsure of what the job role entailed. Throughout the course of my modules, I have gained confidence and new skills that I now use in my everyday practice. Initially I wasn’t completely sure on where I saw my future heading and how to get there, but with the help from management and Sam I’ve been able to soar through my course with so much support and guidance. I will forever be grateful for all I have taken away from my course, trainer and other staff members that I work with. It has been an absolute pleasure being apart of the children’s lives and to encourage and inspire them too. I really want to thank Sam for supporting me and giving me guidance in the best ways that suited me and for always being available to answer any questions or concerns that I had, this wouldn’t have been possible without her so thank you Sam, It really has been a beautiful journey and I look forward to what comes next.”

Testimonies

We always welcome customer feedback and testimonies as we strive to constantly improve our business and the service that we provide.

“Since having Sam tutor Kirsten, Kirsten has progressed massively in both completing her apprenticeship work & her confidence within the setting. Kirsten has worked extremely hard throughout to ensure her work is completed to a high standard whilst also working full time. She has strong knowledge & her practice is that I expect of a very experienced Level 3. She absolutely shines – thank you to Sam for helping so much in your time with Kirsten.”

Statement from Hannah Barre, Manager of Little Scallywags Nursery regarding the progress of Learner Kirsten James

“ I would like to say a massive thank you to James for inspiring me everyday, his patience and dedication has changed my entire outlook. It has been a goal of mine to obtain my Level 3 Diploma and because of James’s help, i was able to pass my qualification which has made a huge difference in my life and career. Thank you to James for the knowledge and skills he has passed on to me.”
