Moving on up !

Welcomes you .....

We welcome you to another edition of **#MovingOnUp**, our newsletter bringing you the latest information surrounding Sutton Coldfield Training, as well as wider social events and causes that are informative and impact the community in a positive way.

New team members.

We have recently welcomed two new training advisors to our team, Jon Insley and Julie Nesbitt. Both trainers bring a high level of experience delivering training as part of our apprenticeship contract and our Adult Education Budget short course contract. Jon will be delivering training in Children and Young Peoples Services and Julie will be focused on delivering Health and Social Care courses.

Welcome, Jon Insley

Key Points To Remember!

#WorldConsumerRightsDay - Celebrated March 15th 2024:

Every year the consumer rights movement celebrates World Consumer Rights Day, in a bid to raise awareness of consumer rights, consumer protection and empowerment. This year's these is **'Fair and responsible AI for customers'** as AI (Artificial Intelligence) is changing the way we work, communicate and gather information. As well as these changes AI will have negative implications for consumer safety, things such as privacy violations and misinformation as well as potential discriminatory biases. Be sure to check out the official accounts for Consumer International on Facebook, Twitter and Linkedin for up to date information and resources on how you can get involved.

Helpful Info!

MACMILLAN CANCER SUPPORT

As a business it has always been important for us at Sutton Coldfield Training to raise awareness and give back to charitable causes, whether that be collecting food for local food banks or doing sponsored activities to raise money for a given cause. This month we hosted a coffee morning to raise money for Macmillan Cancer Support as Cancer affects one in two people whether that be directly or indirectly. This is a worthy cause and we were able to raise a substantial amount at our coffee morning as well as collecting money via the go fund me link posted on our facebook.

Thank you to everyone for your donations and please donate to the Go Fund Me link which is at the top of our facebook page.

Student Testimonial

"Ann has been such a big help with me during the course and has been with me every step of the way whenever i needed her. Her communication was also excellent and she was very easy to talk to when i was struggling or facing any issues with my qualification."

Statement from Chanel Cato regarding one of our trainers, Ann Collins

Upcoming!

Going forward we will be highlighting notable events and news surrounding SCT as well as social news that effects the wider community. We welcome suggestions from our customers at SCT to cover certain topics and issues as our aim is to provide informative and engaging information, consistently. Thank you for your support so far!
