Newsletter

Moving on up !

Welcomes you .....

Welcome to the latest issue of **#MovingOnUp**, our newsletter that keeps you updated on everything related to Sutton Coldfield Training and broader social events beneficial to the community. In this newsletter we will be highlighting the news regarding our visit to the **UK Care Week Expo** at the Birmingham NEC, which was highly valuable and insightful. We also feature SCT Updates aswell as information on upcoming awareness events such as International Cesarean Awareness Month and World Autism Awareness Day.

International Cesarean Awareness Month

It is International Cesarean Awareness Month is observed every year in April. This month was chosen to highlight the ongoing need for education and advocacy around cesarean births, as well as to provide a dedicated time for sharing resources, stories, and support.

Moving on up !!

UK Care Week 2025 Expo NEC Birmingham

We recently attended the UK Care Week Expo at the NEC in Birmingham, a game-changing event that aims to unite the care sector and drive change.

#UKCareWeek

Attended by Leader in Adult Care Trainer- **Denica Georgieva and her Learners**

Statement from Denica Georgieva.

"I am Denica Georgieva and as a dedicated Health and Social Care Trainer at Sutton Coldfield Training for the past ten years, I have always been passionate about the care of vulnerable individuals. My goal has been to inspire the same dedication in my learners by continuously enhancing my own knowledge and qualifications."

"Currently, I am privileged to work with a remarkable group of Level 5 Adult Care learners, supporting their professional growth and development. In our commitment to making learning more engaging and practical, my learners and I made the decision to replace our traditional core theme session on resource management with an experiential learning opportunity.

On the 19th of March, we attended the Care Week Show at NEC Birmingham, an event that provided a comprehensive insight into resource management in practice, as well as exposure to the latest innovations in care management technology."

UK Care Week 2025 Expo NEC Birmingham

“Throughout the day, we participated in a variety of informative seminars led by esteemed industry professionals. Key sessions included:

- CQC Framework, Inspections, and Regulations
- CQC Updates from James Bullion – The Chief Inspector of Adult Social Care and Integrated Care
- Measuring and Tracking Staff Competence
- Live Demonstrations – We explored new digital care planning applications and care roster solutions”

“The event was an invaluable learning experience for everyone involved. It not only deepened our understanding of resource management in the care sector but also provided an excellent platform for networking with fellow professionals. The opportunity to witness and engage with innovative solutions reinforced the importance of staying updated with industry advancements to ensure the highest standard of care for those who need it most. Overall, attending the Care Week Show was a highly beneficial experience for my learners, offering them practical insights and real-world applications of their studies. This experience has undoubtedly enriched their learning journey and will continue to influence their professional practice in the future.”

SCT News!

A New Addition.

Huge Congratulations to one of our trainers, Stacey Stokes and her husband Scott who have recently welcomed a healthy baby boy. We wish them all the best and we can not wait to meet him!

Attention All Learners Certificate Notice

Just a friendly reminder: After completing your qualification, please wait five weeks before contacting the office to request your certificates. If you have completed your End Point Assessment, kindly wait five weeks from that date before reaching out. This waiting period ensures we can process and send your certificates as quickly as possible. Thank you for your patience!

Key Info To Know!

World Autism Awareness Day 2025 - Wednesday April 2nd

Every April, Autism Speaks celebrates World Autism Month, beginning with the United Nations-sanctioned World Autism Awareness Day on April 2. This year marks the 18th annual World Autism Awareness Day. Throughout the month, we focus on sharing stories and providing opportunities to increase understanding and acceptance of people with autism and fostering worldwide support.

We welcome suggestions from our customers at SCT to cover certain topics and issues as our aim is to provide informative and engaging information, consistently. Thank you for your support so far!
