The week aims to raise awareness about men's mental health challenges and encourage them to prioritize their well-being. This year, the campaign focuses on encouraging conversations about mental health and advocating for a Men's Health Strategy.

Race For Life Pretty Muddy 5K - Team Success!

We are extremely proud of those who represented **Sutton Coldfield Training** in the **Pretty Muddy 5K** obstacle course on Saturday June 21st 2025 to raise money for cancer research UK. Our amazing team was able to raise an outstanding **£1,145** for Cancer Research UK with an additional **£247.50** in gift aid. This is an excellent cause and we are happy to have had such an excellent team representing us.

This was an enormously successful event with thousands taking part in raising money for such a worthy cause. A huge thanks to **Sutton Coldfield Training** and the company directors **Denise Peach** and **Hazel Allsobrook** for kindly sponsoring our staff members and those who ran the race on behalf of SCT.
