Moving on up !

Welcomes you .....

Welcome to the latest issue of **#MovingOnUp**, our newsletter that keeps you updated on everything related to **Sutton Coldfield Training** and broader social events beneficial to the community. In this newsletter we will be highlighting important awareness information such as **Men's Health Awareness Month** & **Remembrance Day**. These topics can be highly sensitive and require the correct information being available in order to make impactful change and to be acknowledged appropriately. We are also proud to highlight the support that we are offering via our new **SCT Careers Team**, an initiative we have taken to help our learners and all those who need helpful and impactful information for their future. SCT is also extremely proud to announce the successful retention of our **Matrix Accreditation**, an incredible achievement and standard that we continue to uphold.

Men's Health Awareness Month!

November is Men's Health Awareness Month and it is highly important to raise awareness for the issues that affect men worldwide. Movember, a prominent movement since 2003, has funded more than 1,250 men's health projects around the world. In a bid to challenge the status quo by shaking up men's health research and transforming the way health services reach and support men.

SCT Update!
Matrix Accredition

We're incredibly proud to announce that SCT has successfully retained its Matrix Accreditation Status following our full assessment last week! Thank you to all external partners, employers, and learners who took part and contributed to this achievement — your engagement and feedback were truly invaluable.

A huge thank you to our incredible trainers and support staff who's dedication and passion is vital to the success and growth of SCT. We look forward to continuing to deliver such a high standard of training and service.

Thank you all for your support!

We have been successfully accredited with the **matrix** Standard for delivering high quality information, advice, and guidance!

SCT Update!
Careers Team!

SCT has introduced a dedicated careers team to better support the professional development and employability of our learners. The team serves as a central hub for career guidance, helping learners to make informed decisions about education, training, and future employment opportunities. By providing tailored advice, workshops, and one-on-one mentoring, the careers team ensures that our learners understand the full range of career pathways available to them, including apprenticeships, higher education, and vocational options.

Building on this commitment, we're thrilled to introduce our new Careers Team — a group of friendly experts ready to help learners achieve their professional goals. From CV advice and interview preparation to job search and support, they provide practical, personalised guidance every step of the way. Whether learners are just starting out or looking to advance, our team is here to make their career journey clear, confident, and successful.

Emma Baker - Higher Education, Psychology & Law

Peter Bayliss - Children & Young People's Services

Lynne Garland - Early Years Educator

SCT Update!
Careers Team!

Clare Hughes - Business and Digital.

Emma Jolley - Health and Social Care.

Denica Georgieva - Health and Social Care.

The careers team plays a crucial role in fostering equality of opportunity. By providing impartial advice and guidance to all of our learners, regardless of their background or prior achievements, the team will ensure that every learner has access to the support they need to reach their potential. This includes helping learners to identify suitable career paths, understand labour market trends, and develop essential employability skills such as CV writing, interview techniques, and professional communication. Through these initiatives, SCT aims to empower learners to make confident, informed choices about their futures and to maximise their chances of achieving meaningful and fulfilling careers.

The careers team will support in helping reduce career uncertainty, boost confidence, and equip our learners with the knowledge and resources needed to succeed in a competitive job market. The introduction of the careers team reflects SCT's commitment to preparing learners for life beyond education and supporting their long-term professional and personal growth.
